

# Pensacola Teen Challenge

## Graduation Photo Ordering Information

Graduation is an important mile-marker in the lives of students. Pensacola Teen Challenge would like to help make this a memorable moment for our graduates and their families!

During graduation, as every student receives his or her certificate, a photo is taken to commemorate the student's achievement. These photos are available for sale to the students and immediate FAMILY MEMBERS ONLY. If a student or family member desires to purchase the graduation photo, they should send an email to [gvannhorn@teenchallengepensacola.com](mailto:gvannhorn@teenchallengepensacola.com). Once the request is received, a "proof" of the photo will be emailed back to the family member or student requesting the purchase for their approval.

Once approval is confirmed and the desired number and sizes of the photo has been placed, the photo(s) will be mailed to the student or family member after the required payment has been received in the administrative office. Please mark your payment as "graduation photos" so that the admin office will coordinate with Mrs. Vann-Horn to submit the photos for printing/mailing.

Please note that we do not accept prepayment for the orders as the student or family needs to approve the "proof" before payment to be certain of satisfaction.

Prices for the photos, which include shipping and handling charges, are as follows:

Each 8 x 10 -- \$15.00

Each 5 x 7 -- \$10.00
